

2019 YEAR

Following on from the 2018 Sydney Conference, this year the NSW Chapter events are about opening up further conversations about why, how, what and when we can shape learning environments together. What we can learn from each other through research, decisions and experiences.

Let's talk about how we get there . . .

SHAPING LEARNING ENVIRONMENTS TOGETHER.

2019 is about exploring the stories behind

This year we are continuing some of the thinking and dialogue from last year's conference through site visits, seminars and experiences so we can learn more about how we can assist in the shaping of place and space for teaching, learning and community. Our evolving calendar highlights include:
